

Superintendent's Student and Staff Accomplishments February 6, 2019

United Way Donation: Yesterday, the principals from Swiftwater Elementary Center and Swiftwater Intermediate School and I had the pleasure of presenting a check for \$8,679.67 to Michael Albert, the President and CEO of the United Way of Monroe County. We presented the check on behalf of our entire Pocono Mountain School District. Our District raised the funds for the United Way through a District-wide dress down day, employee contributions, and school coin collection and fundraisers.

Basketball Champs: Our School to Work students competed in a basketball championship today at Freedom High School and won again. This is the 12th time the School to Work team has won this championship in 13 years. The East High School Band and Chorus welcomed the champs back this afternoon at the school.

New HYPED Magazines: I am pleased to announce that our students from our East and West High Schools have completed their Winter 2019 issues of the East and West HYPED digital magazines. There are links to the two magazines posted under the announcements section of our PMSD website main page.
