

Pocono Mountain School District

K-2 Grading

Frequently-Asked Questions

1. How will my student be graded?

Parents will receive a report at the end of the school year which shows the progress each student made in their online learning program(s). Continuous progress can be viewed by parents on a regular basis via Edgenuity and/or PathBlazer.

2. Why are we not using our typical developmental report card?

We cannot assess student performance of developmental skills covered in a typical marking period. The developmental rating scale would be unjustified in comparison to a fully completed marking period. Teachers will monitor each individual student's progress in Edgenuity and/or PathBlazer.

3. I am enrolled in PMSD Cyber Learning, how will cyber course progress be determined?

You will receive the Edgenuity progress report. Please contact Ms. Nora Wandalowski, Director, PMSD Cyber Program (nwandalowski@pmsd.org) with any questions.
