

# PMSD LEARN FROM HOME VIRTUAL PROGRAM

We're excited to start the 2020-21 school year and look forward to seeing you in the virtual learning world!

We created this planner to help you get organized and stay on schedule. We are here to help you succeed. Just let us know what you need.

**ATTENDANCE:** This is really important. Sign in to your 1st Period class everyday and answer the attendance question. You must log in before **MIDNIGHT EVERY DAY** to answer that question. If you answer it, you will be marked present for the day. If you do not answer the question, you will be marked absent for the day. A note explaining the reason for your absence must be emailed to [ehsattendance@pmsd.org](mailto:ehsattendance@pmsd.org) within 3 days.

**CLASSWORK:** Your classwork will be in your Google Classroom. Plan to work on classwork during **ASYNCHRONOUS TIMES** throughout the week. You can also work on classwork when it is convenient for you, even late at night if that is when you learn the best!

**GOOGLE CLASSROOM CODES:** Your teachers have emailed your Google Classroom Codes to your school email address. Check your email to get your codes. If you forget your network password, it was in the envelope that was mailed to you last weekend. If you can't find it, call 570-839-7121 ext. 80416 and we can give it to you.

**SCHEDULE:** Enter your Google Classroom Codes on the schedule below so that you know when and how to join your **LIVE SESSIONS** with your teachers.

				If you would like to talk to your teacher on Wednesdays, call 570-839-7121 ext. 80400 and ask for them during the designated times below. Remember that you can communicate with your teachers in your Google Classroom five days a week!
