

TEC COMMITTEES

2019-2020

Hospitality:

Provides refreshments for the PTO meetings and other functions such as Open House, Band & Chorus Concerts, staff appreciation meals & more.

School Spirit:

Assisting with activities/contests held on Spirit Days throughout the school year. Includes Punt, Pass & Kick, Snow Day Fun, Carnival and more!

Book Fair:

Plan and run 2 book sales for students, parents and faculty. These week long sales require volunteers to help setup, assist students with purchases and restock tables/shelves.

TEC Trunk or Treat:

Help plan and run our yearly Trunk or Treat event. Invite families to decorate their cars and dress up for chance to win prizes.

Holiday Shop:

This shop enables students to purchase gifts for family and friends during the holiday season. This week-long sale needs volunteers to help children shop as well as keep tables stocked.

Tricky Tray:

Help us plan our largest fundraiser of the year! Hit the streets to obtain donations for this event, plan for food/bake sale as well as wrap and tag baskets for the main event. Setup and volunteers the day of event are always needed.

Field Day/Tie Dye Shirts:

Tie-dye shirts for all students to be used with field day activities. PTO purchases shirts but we need volunteers to help tag and dye.

Box Tops/Shoparoo

Help to collect and redeem these items for money or prizes for TEC. Brainstorm ideas to get more families involved as well as award students for their support.

Plant Sale:

Sale runs for a week in the spring to allow students and faculty to purchase plants and flowers at a reasonable price. Volunteers needed for assisting students and keeping plants displayed.

6th Grade Awards Ceremony

Planning and implementing this end of year ceremony for the 6th grade students leaving TEC to enter Middle School!

PTO Members-Only Events:

Help plan monthly events for PTO member families. Movie Nights for Grades K-3 and dance/karaoke parties for Grades 4-6 have been a hit! We are always looking for new ideas. Coordinate snacks, games and crafts for students. Volunteers always needed!
