Advanced Placement Language & Composition

Summer Reading Assignment

Welcome to Advanced Placement Language & Composition! AP classes are designed to be more rigorous and challenging than the required Academic or Honors level English Language Arts courses. Please be aware that AP requires more complex, mature reading and writing assignments throughout the school year, as well as a summer assignment. The AP Language and Composition summer project is available at www.pmsd.org on the **Academics** link under "Summer Reading."

Students who have enrolled in AP English Language & Composition will be required to complete the summer project. The project is designed to help students become familiar with the terminology, nonfiction texts, and analysis skills they will encounter throughout the course.

The work included in the summer project will be the entry point for class discussions, presentations, and assessments. As a result, the entire project will be due during the first week of school. Please be sure to prepare carefully and be ready with questions you may have when classes begin in the fall.

Have a safe and restful summer.

Sincerely,

Mrs. Stacy Kulics
