Fragen/Meinung zu den Themen

1. You will also be required to give a mini-presentation about your summer on the first day of school. Your presentation must have visuals and you should be prepared to speak in German for about 2 minutes.
2. Your visuals should include pictures of things that you did in the summer, so be ready to document your adventures throughout the summer! Your visuals can be a collage or a google slides slideshow (or something similar). It needs to be something that we can see on the promethean board. It should include multiple pictures (I'm thinking at least 5-8 pictures, but more is OK too!) that you can show and tell us about in German. Please submit the visual part of the presentation on Google Classroom. (Google Slides)
3. You should be prepared to narrate your collage/slideshow/picture story auf Deutsch. Of course, since you will be talking about your summer, you will need to be speaking in conversational past tense! You should be able to speak for about 2 minutes. You cannot read your presentation. You must just talk to the class. You can have notecards with a few words on them to help, but you cannot write out your entire presentation. You should also be prepared to answer any questions that the class may have auf Deutsch. (NOTE: If we are in school in August, you will give your presentation live to the class. If we are still online, you will record your voice with your slides. We will figure that out, once we see where we are in August.)
4. The presentation will be worth 50 points and be graded using the following rubric:
 - a. Visuals (10 points)
 - b. Understanding (10 points)
 - c. Vocabulary (10 points)
 - d. Conversational past tense (10 points)
 - e. Fluency (10 points)
