

Pocono Mountain School District

PO Box 200 • Swiftwater, Pa 18370 • 570-839-7121

August 2020

Dear Parents/Guardians:

The Pocono Mountain School District utilizes the RAPTOR sign-in procedure for entrance into our buildings. All visitors MUST provide either a: valid photo driver's license; valid photo state identification card; or valid passport when entering the building. This will then be scanned or entered into our system to know that you have provided proper identification. Please keep in mind that this procedure also applies to ANYONE who may enter any building and/or who might pick up a student(s).

Please be sure to alert any family members and/or friends to this procedure. They will also be asked to provide their valid identification. The valid identification will only need to be scanned one time, however, we still require that the valid identification be provided when entering the building and/or picking up students.

Thank you for your cooperation.

Dr. Elizabeth Robison
