FUN FOR THE WHOLE FAMILY

Community Night

Tuesday, May 9th, 6:00pm-8:30pm
Northampton Community College Monroe Campus

WORKSHOPS OFFERED

Workshop 1 : Students Helping Students	Aevidum, the latin word for "I've got your back", is a student driven peer support program with suicide prevention at its core. Students from Pocono Mountain will discuss the initiatives and activities their Aevidum groups do to create a climate where all students are accepted, appreciated, acknowledged and cared for.
Workshop 2 : Why Unity in our Community is Important	Thomas Jones, President of Monroe County United, will present why unity in our community is so important and how you can get involved building relationships and breaking down barriers in Monroe County.
Workshop 3: Drug Awareness Education	Chris Sorrentino from C-M-P Drug and Alcohol Commission will be presenting the latest update on Opiates in Monroe County, information and resources to help you better understand the situation and opportunities for you to get involved to help yourself, a friend and/or a family member. Chris will also discuss the work of the Opiate Task force that meets monthly.
Workshop 4: Nutrition	Learn some great tips about the right nutrition for all ages and affordable healthy eating.
