

Pocono Mountain School District Health & Safety Plan Face Covering Tiered Mitigation Measures

In the event that positive COVID-19 case counts rise the following tiered mitigation measures may *temporarily* be implemented in the school setting:

School	Number of cases within a rolling 10 day period	Number of cases within a rolling 10 day period
Medium Schools (500-900 students and Staff) CREC, TEC, SIS, EJHS, WJHS	< 7 cases: <ul style="list-style-type: none">• Face coverings recommended• Face coverings required on buses	7+ cases: <ul style="list-style-type: none">• Face coverings are required in school for the duration of 10 days for all students and staff regardless of vaccination status• Face coverings required on buses
Large School (>900 Students and Staff) SEC, CRIS, EHS, WHS	<11 cases: <ul style="list-style-type: none">• Face coverings recommended• Face coverings required on buses	11+ cases: <ul style="list-style-type: none">• Face coverings are required in school for the duration of 10 days for all students and staff regardless of vaccination status• Face coverings required on buses

- Cases count includes the number of positive COVID-19 cases of individuals who were present in the school during their infectious period. The DOH considers cases to be infectious beginning two days before the onset of symptoms or two days before the positive COVID-19 test results if the person did not have symptoms.
