March 31, 2023

Dear Parents/Guardians:

The Pocono Mountain School District is pleased to offer a summer school learning experience for your child: The Elementary Summer School (Kdg – 6th Grade) English Language Arts and Math Program. School district educators will work with small groups of students to improve their English language Arts and Math skills. Physical distancing will be maintained as well as all other safety mitigations strategies utilized throughout the school year. Each student will receive approximately 23 sessions of instruction at no cost.

This program will run Monday thru Thursday beginning the week of June 19, 2023 and ending the week of July, 27, 2023. There will be no summer school on Tuesday, July 4, 2023. Students are required to attend their respective elementary school. The summer school program will run from 8:00 a.m. to Noon. District transportation will be provided.

Parents are asked to make a serious commitment to the program before registering their children. Students who consistently attend their scheduled sessions will progress in their English Language Arts and Math skills. If your child cannot attend a scheduled session, please send a note or contact the school.

We encourage you to take advantage of this exciting opportunity. Please complete the attached registration form and return it to the building principal. **Registration forms must be returned to the Elementary School your child attends by Friday, May 12, 2023.** Detailed information concerning the transportation will be forwarded in a letter after registration is complete. Please return the registration form even if you are not interested at this time. This will help us to ensure your receipt of this letter.

Let's work together to make your child and every child a life-long learner. **If you have questions about the program, please contact your child's building principal by calling 839-7121, ext. 61400.**

Sincerely,

Amy Haynes

Mrs. Amy Haynes
CRIS Principal

Catherine Sweeney

Dr. Catherine Sweeney
Assistant Superintendent for Curriculum and Instruction

NOTE: This Elementary Summer School English Language Arts and Math Program is open to Pocono Mountain School District students only.

Please complete the registration form and return it (YES or NO) to your child's teacher by Friday, May 12, 2023.
