(Click on East High School Student Handbook)
- Any student or parent/guardian without Internet access may request a hard copy of the Student Handbook in the main office, prior to signing the Handbook Verification Form.

We have reviewed the contents of the Student Handbook on-line, or via requested hard copy, and understand our responsibilities described in the policies including, but not limited to, attendance policy, locker/search policies, weapons, discipline, media, dress code, and other school rules and regulations. As a member of the Pocono Mountain East High School student body, I understand that we have the right to ask any questions by contacting an administrator or faculty member.

Administration recommends that students not bring items of significant value (e.g., electronic devices) to school. We acknowledge that PMSD is not responsible for any lost or stolen items brought to school or stored in student lockers.

Upon the occasion of a student absence, a student has three school days to provide documentation as to why the absence occurred, and if this documentation is not provided within the three days, the absence will be considered unexcused and/or unlawful. If an absence is deemed to be unexcused and/or unlawful, students will not receive credit for any assignments completed during the time of absence. Students with excessive unexcused and/or unlawful absences may be denied participation in after school activities parking privileges, and/or school events (e.g., Prom, Senior Trip).

Please denote the method by which the Student Handbook review was completed by placing a check mark next to the appropriate statement:

- _____ We have reviewed the Student Handbook on-line via the website provided.
- _____ We have reviewed the Student Handbook via a hard copy requested from the main office.
