Counseling Monthly Focus:

Dear families!

It's so hard to believe this is my last newsletter of the school year! I just don't know where the time has gone. What a fast and fantastic school year! I loved being a part of our Cyber program and getting to know your little ones. I'm so excited to continue building our guidance program next school year.

Have a wonderful and safe Summer!
I'll see you August!

Happy, Healthy Kids TIP:

To prevent the "summer slide" and keep students learning this summer, enroll them in a summer reading program at your local library! They can work towards a summer reading goal and earn prizes as they go!
