Important Dismissal Information for Families

Plan A: If the weather is **FAVORABLE**, there will be 5 tables (based on your child's team) set up outside of the front of the building for you to sign out your child. Please find your child's homeroom teacher's table and get in line. Please do not come past the tables to the vestibule area. Staff will bring the homeroom lines out, and your child will be released to you once they are signed out.

Plan B: If the weather is **UNFAVORABLE**, we will have tables set up inside the school. They will be staggered in the hallways and in the gym for your convenience. Your child will be behind each table. Please find your child's homeroom teacher's table and get in line. Your child will be released to you once they are signed out.

Please be on time and patient. We will do our best to provide a smooth and timely dismissal for the students and families.
