

# 2024 JARED BOX Project 15<sup>th</sup> Year

A Jared Box is a shoebox size plastic storage box filled with small gifts, toys, cards, and games.

The boxes are then delivered to hospitals for chronically ill children to enjoy.

PMSD "2019 Excellence in Education Award" Winner for it's Jared Box Project

The Pocono Mountain School District School to Work Program is collecting and making Jared Boxes for delivery to area hospitals in late February. Please take the time to read the attachments and consider participating. It is a simple thing, but means more than you can imagine to the child who will receive the box.

The participation over the past fourteen years with this project is a reminder of what a caring community the Pocono Mountain School District is. During this time, the Pocono Mountain School District, King's College Baseball team, Crestwood School District, PA State Police, and youth players from Jerry Greeley's Player Development Baseball Academy have collected and delivered over 19, 037 Jared Boxes.

If you have any questions, please contact Jerry Greeley at [ggreeley@pmsd.org](mailto:ggreeley@pmsd.org).

**Collection from all district buildings and departments will be in the front of each building on WEDNESDAY, FEBRUARY 14, 2024**

**Thanks again for your help with this special project!**
