WHS is extremely proud of our graduating ESL seniors! All of our ESL seniors have worked hard to improve their English skills, contribute to the WHS and PMSD community, and make their families proud. We are so excited to see all of our ESL seniors graduate and enter the world as empowered and enthusiastic life long learners.

Hugo Castro is set to graduate on June 6! He will be heading to college to pursue a career in law, with interests in both business law and criminal law. In the photo, he is seen with his EHS ESL teacher, Ms. Mascia, whom he chose as his mentor during the Track and Field Mentor Night. Hugo participated in the Track and Field team, specifically in the javelin, and also played on the football team. It has been a joy to have him in class and to witness him mastering English while celebrating his many academic achievements. I will miss his sense of humor! Wishing him all the best in his future endeavors—congratulations, Hugo!

- Ms. Mascia

Congratulations to graduating senior, Adelina Borukhov! Adelina came to PMSD in the 5th grade and has worked very hard throughout her years here. She enrolled in the cyber program in the spring of her 9th grade year and has learned to excel in virtual learning! Adelina continues to reach out to her teachers for help when needed and has grown in all areas. While she may be unsure of what her future holds, we at PMSD Cyber are very proud of her and know that she will do well in life! -Ms. Murphy
