Dear Parents,

August 23, 2023

Starting for the 2023-2024 School Year, Swiftwater Elementary Center will be increasing safety procedures in Swiftwater Elementary Center's front parking lot and entrance way. We would like to remind parents to please follow signs that indicate the safe flow of traffic throughout our parking lots. We currently utilize a very successful SEC parent drop off and pick up procedure. We are asking that all parents follow our procedures in order to maintain a safe and secure environment.

Please refrain from parking in the front parking lot and walking your child to the front entrance during our morning drop off. All parents are asked to utilize our parent drop-off and pick-up line both in the morning and in the afternoon. Parents are invited to park in our parking lot when they have school business in our main office.

We pride ourselves in our safety and security at SEC.

Sincerely,

A handwritten signature in black ink that reads "Ms. Karen M. Doughton". The signature is written in a cursive style.

Ms. Karen M. Doughton, SEC Principal

A handwritten signature in black ink that reads "Dr. Krislin R. Ofalt". The signature is written in a cursive style.

Dr. Krislin R. Ofalt SEC Principal
