Dear Parents and Guardians,

We would like to enlist your help in ensuring our schools remain safe now that our students have returned to school after the Winter Break. Airsoft guns, plastic knives, toy guns, pocket knives and other look alike items that may be popular gifts for children and teens are prohibited in our schools and on our buses at all times.

For some children and teens, the desire to bring such prohibited items to school to show their friends is hard to resist. Therefore, we ask that you be extremely vigilant and check your child's possessions each morning to ensure no prohibited item is brought to school.

It is important that you discuss this topic with your child to remind him/her of the potential dangers and serious consequences of bringing a prohibited item to school. Also, please remind your child of the importance of telling a staff member if another student has brought a prohibited item to school.

The Student Handbooks are available on the PMSD website, under the "For Parents/Resources" section and tab if you want to review with your child the items that are prohibited in school and on the bus.

Thank you for your continued support and if you should have any questions, please contact me.

Sincerely,

  
Kristine M. Kunsman  
Principal
