School Safety Update

As part of our Guidance Curriculum, school counselors conduct classroom lessons that cover topics including Organizational Skills, Bullying, Respect, and Self-esteem. Additional topics are presented as needs arise, within the school setting, throughout the year.

Your child participated in a classroom lesson containing information on “School Safety” and “The Dangers and Consequences of Bringing Inappropriate Items to School.” This included a review of the PMSD Possession of Weapons Prohibited Policy.

Please be sure to check your child’s backpack every morning to make sure they are only bringing school-related materials into the building each day.

Thank you for your continued support and if you should have any questions, please contact your child’s guidance counselor.
