

Clear Run Intermediate School

## General Membership Application

Applications are now being accepted for you and your family to join the Clear Run Intermediate School PTO for the 2017-2018 school year. Membership dues are made by donation, \$5.00 per family minimum. We hope that this will give you the option of making a larger donation if you are able. This does not obligate you to participate in all events, however we hope you can select a few to attend and support us. Furthermore if this is your only way to participate, we appreciate it! The students at CRIS will benefit immensely from your membership.

Thank You for your support,  
CRIS PTO
