

SEC PTO - Membership Form

The Swiftwater Elementary Center Parent Teacher Organization (PTO) is a non-profit organization, comprised of volunteers, focused on supporting the educational experience of all our students, and fostering a closer home-school connection.

The PTO helps to make SEC a better school in two ways:

1. **WE RAISE MONEY!** By holding fundraisers like: School book fairs, Holiday shop, Tricky trays and more! All of the funds raised go towards the students of SEC for new school technology and supplies, educational assemblies, field day fun and many more activities!
2. **WE SHOW UP!** Family fun nights, book fairs, school dances - all events planned and staffed by PTO volunteers. These activities give our children a chance to have and make memories that will last a lifetime.

Please join our PTO Facebook page below to keep up with the most up to date information regarding our school.
